

Unit 3 – Day 24

VERTICAL and HORIZONTAL LINES- QUICK NOTES!

POINT OF INTERSECTION:

1. Graph $y = 3$ and $x = 2$ and list the intersection point.

The two lines intersect at (2, 3)

- 2) Graph $y = 0$ and $x = -4$ and list the intersection point.

The two lines intersect at (-4, 0)

Unit 3 – Day 24

VERTICAL and HORIZONTAL LINES- QUICK NOTES!

POINT OF INTERSECTION:

1. Graph $y = 3$ and $x = 2$ and list the intersection point.

The two lines intersect at _____

- 2) Graph $y = 0$ and $x = -4$ and list the intersection point.

The two lines intersect at _____
