

Name: Happy Trappy

What's on your mind?
is so glad I've got these legs to hold me up today – feeling tired. 😞

Name: Ms. Summy the Interior Angulator

Hey Trappy! I just got my new TI-83 Plus in from Amazon and was wondering when you wanted to meet up and calculate those new measurements! Hit me up!

Name: Isoscey Trappy

What's up cuz? Hope to see you at the Quadrilateral family reunion on Sunday. It's been way too long since we have hung out. 😊
